

# Procurement Information

## UNCLE SAM WANTS YOUR DOG!

The Department of Defense Military Working Dog School is looking for a few good dogs for duty with the Armed Forces and Transportation Security Administration (TSA). Specifically, we are looking for German Shepherds, Belgian Malinois, Dutch Shepherds and Sporting Breeds, 12 to 36 months of age. Dogs do not have to be purebred; however, they must have the predominant characteristics of one of the breeds listed.

We are looking for dogs that have good temperament and disposition, outstanding hunting and retrieval drive, self confidence, defensive fight drive and steadiness to gunfire. Dogs must pass a physical examination and a consignment evaluation. Please review our Statement of Work at the Procurement Information Tab.

**Contact Ms. Ursula Schreiber for more information.**
